During this period I labored under an effliction of my loins and side, and tried many remedies that my own medical experience sugpessed, but without obtaining relief. Misses. Scivil. & Maxi.—I have been troubled with the chronic rheumatism for the last twelve years. On the last of July 1988, I was so bad that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending Physician prescribed the Plaster," and it acted like a charm; the pain left me and I slept more than half of the night, and in these days I was at le to ride out. I consider the "Hebrew Plaster" the best remedy for all sorts of panis now in use

REFER the Farmers to the statements below, made by Dr. John Shelby and L. F. Bradley. I have seen it in tisfied of its great utility. the season is advancing, I now offer those I have on hand for L. P. CHEATHAM.

NASHVILLE, June 28, 1858. Col. L. P. Cheatham: — Dear Nor.—I have been using the "Reaping and Mowing Machine" patemented by Manney of Illinois, which you are now offering to the citizens of Tennessee. It is a friest retailable savisu Machine. It works nexter and randout. The amount cut per day will depend principally upon the speed of the team. 1. F. BEADLEY. GRAESENBERG CHILDREN'S PANACEA. MOST strange and irreconcilable fact meets us at the very threshold of our remarks on this valuable medicate. It is this—that no medical preparation adapted to the various diseases of children and youth, has ever been effected to the public, while at the same time it is established by the most accurate tables of mortality that one-sail the be-in a family die before reaching the age of five years! We should suppose that to this great class of human saf-

ferces this one alf of the race—the most auxious and ex-nest attention would have been given; that medical skill would have been taxed to its utmost capacity to find out a medicine to which mothers and nurses ingul resort inder the constantly recurring necessities which present them-selves in this connection. The world is literally crowded with medicines for admits, but towards the sufferings of children no one has seemed to turn proper attention. has regarded their condition. No one has seemed to think it possible that the ravages of disease and death among these night be stayed. It is true that there are numero sofund exclusively to one or two forms of disease, Grasfenberg Children's Panarca is the only medicine extar in either hemisphere that is at all worthy of being called Children's Medicine or that supplies the great want allo

It is invaluable and unsurpassed in cases of infantile jum dies, griping and flutalency, distribute, cutaneous eruptions, the thrash, teathing, falling of the fundament, convulsions. rickets, ringworm, scald head, measles, crown, worms, ch era infantum, wasting of the body, and all diseases incident to the years of childhood.

I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all varying suffering from discontinuously that it has entirely cured nor, and recommend it to all persons suffering from diseases of the liver and dyspensia.

DR. FRASK'S MAGNETIC OINTMENT. MR. WINTERS had lost nearly all of his hair and A had been hald for many years; by the use of three bot-less of the Magnetic Outment, had his hair entirely re-stored, and now has as beautiful a head of hair as any man

gould wish. His age is about 50 years.

A son of Mr. Warren, of this town, 14 years of age, had been ufflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was thoroughly cured, and for seven months past has enjoyed robust health.

This was an extreme case of inflammation of the splee of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady a Mrs. Dun-ham, is still in good health, and able to attend to her usual household duties. Thave treated two cases of *Chronic Sore* Eyes with the Ointment, both of the patients so nearly bland, as so need an attendant to lead them from place to place. One of them had been afflicted 15 years, the other about 9 years. They had tried the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzr, of Cincinnati, for eighteen months, and had expended hundreds of dollars in rain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it failed of giving immediate relief and generally a permanent curs. I have also used it beneficially in severe cases of Erysipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Ointment alone!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently re-commend it to be one of the most useful remedies ever offered to the public.

Respectfully Yours.

TO KILL PAIN we must paralyse the nerves, or in other words produce a palsy of the part to which the pain killer is appead.

Pains is an unmatura is ensation, arising from an injury or disease which, being transmitted along the nerves to the brain, gives an uneasy perception to the mind.
